Dear Mr. Gavell,

It was kind of you to write on 3 April, informing us that because of the preoccupations of his new office Secretary Hardin was unable to take an active part in the FAO-inspired National Coin Week last month.

I have recently seen from the New York Times of 20 April that the winners of the Week's exhibit contest will be announced at the 78th Annual Convention of the American Numismatic Association, to be held in Philadelphia from 12 to 16 August 1969. I wonder whether Mr. Hardin would be able to find time to associate himself in some way with the Convention.

Yours sincerely,

Raymond Lloyd  
Special Studies Officer
